XTR 2211 - FAMILY VAN

The Wonderland RV XTR 2211 is the elected Caravan of the Year 2024. Caravan World highlighted the van's unique blend of grand and subtle features, such as toughness, liveability, self-sufficiency, space-saving design, luxurious comfort, and all the little thoughtful touches. This model was also awarded **Best Family Caravan** and **Most Innovative Build** of 2024.

From the tyres to the tip of the digital TV antenna, this van has been built without compromise. It has a fit and finish that rivals upscale apartments and a build to outlast the worst corrugations you could tow it over.”
